

Greetings

Pro-Duffers USA Golf Club

September 19, 2025

As Mayor of Washington, DC, I am pleased to extend greetings to the organizers, participants, and attendees of 2025 Pro-Duffers USA National Convention and Golf Tournament.

Since its founding in 1956 primarily by a group of physicians, dentists, and engineers from Howard University, the Pro-Duffers Golf Club has grown into one of the largest and most impactful African American golf groups in the nation.

Through your invaluable contributions to the Capital Area Food Bank, Howard University golf scholarships, and so much more, the Pro-Duffers has enriched countless lives, including my own.

As you convene for this year's National Convention and Golf Tournament, may you be inspired to even greater heights of achievement in service to residents of the District of Columbia.

On behalf of the more than 700,000 residents of Washington, DC, thank you for your dedication to uplifting our communities and best wishes for an inspiring and memorable event.

Muriel Bowser
Mayor, District of Columbia
